

# Principles Worksheet

How do Principles differ from Values? Values can change over time. Values are different in different cultures.

**PRINCIPLES** are always about universal truths or standards. Having clear cut principles concerning issues such as fairness, justice, equality, truthfulness, honesty, etc make it easier to take a stand on needed social issues.

A **Principled Leader** can influence and inspire people to create a better future and enables them to work to their full potential and find meaning to their lives. Check the boxes X or O that apply to your Principles
