## Lesson Plan \_ Social Issues

**Resources for Social Action: Activate** 

**PRINT:** Social Issues Worksheet

GOAL: Investigate social issues related to the Visionary Project

## **ACTIVITIES**:

1. Assign one category and one question per student to read or watch, students write a brief summary or observation about it and answer the related worksheet question.

2. Present their information in poster format with an oral description.

## **EVALUATION**:

- 1. Evaluate student's poster or presentation, looking for an understanding of the issue and possible ideas to solve it.
- 2. Class discussion Vote on the most effective / moving presentation.
